Blount County's New Mass Notification System

Blount County EMA is getting ready to launch a new Mass Notification system to replace our current platform, Nixle. We are confident that this new platform will help us reach more members of our county and business partners. Whether it be notifications on Severe Weather events, Hazardous or Emergency Events, Road Closures, and even Upcoming Community events we hope to better serve our county! Look for more upcoming information on our Facebook page!

Updates on Impending
Weather Threats, Road
Closures, and much
more!

Receive texts, calls,
emails, or even
download the mobile
app!
